

Exhibitor Passport for Giveaways

Throughout the virtual conference, attendees who visit 22 of the virtual exhibit booths, and participate in at least three short live exhibitor chats in the Virtual Expo will be automatically entered into the raffle to win prizes. After October 24, the AAFP will draw names of eligible attendees and announce the winners in the virtual platform and on the AAFP website. If your name is drawn, you will receive an email notifying you that you have won and you will be able to choose from the list of available prizes which can be found in the Program Book.

This Exhibitor Passport is provided for your personal use in keeping track of how many booths you visited since your attendee profile doesn't display this information. We can see who has visited 22 exhibit booths and you will be automatically entered into the drawing!

<u>Check</u>	<u>Exhibitor</u>	<u>Check</u>	<u>Exhibitor</u>	<u>Check</u>	<u>Exhibitor</u>
