AAFP Virtual Conference Continuing Education Quiz Guide

Continuing Education (CE) Credits

The 2020 AAFP Virtual Conference Platform offers Interactive and Non-Interactive Continuing Education (CE) hours to meet the unique needs of each attendee. To earn CE credits, users must complete the quizzes for each eligible live and pre-recorded session with a 70% score or higher. Eligible live and pre-recorded sessions that have been RACE-approved will have the teal icon next to the name of the presentation.

To receive CE credit, live and pre-recorded session quizzes must be taken and passed with a score of 70% or higher. You will have 3 attempts to successfully complete each quiz. Upon successful completion, your account will automatically track all earned CE credit hours to include on your CE Certificate. As a registered attendee, you are able to access sessions and earn CE credits through December 31, 2020. All CE Certificates will be available through December 31, 2020, and will reflect all CE credits earned to that point in time. Please note that Live sessions will be recorded and available On-demand 24 hours after they occur.
