

treat more. earn more.

Our end-to-end financing solutions move more patients forward to receive the treatments they need.

why ally?

- ✓ **We're a relentless ally with a strong foundation.** We proactively prepare for shifts, react calmly, and respond wisely while supporting our providers with a consistent program and unwavering products.
- ✓ **We're in the business of building relationships and we're committed to doing it right.** You'll rarely experience hidden fees, retroactive interest charges, unexpected APR increases, teaser rates, or annual membership and maintenance fees.
- ✓ **We're an end-to-end direct lender.** We offer approvals for procedures from \$750 to \$40,000, lending products with 12-60 month terms, and you'll receive funding 24-48 hours after the loan is booked.
- ✓ **We keep it simple.** Our simple experience, straightforward products, and personal service keep our customers happy and coming back. We customize to your business workflow to ensure a seamless experience.

how it works for your patients.

Our contactless, digital process is built to help your patients apply and transact in minutes. With our 60-second pre-qualification, you can quickly pre-qualify loan applicants with no credit impact.
