Annual Scientific Meeting Disclosures

ANNUAL SCIENTIFIC MEETING

Monday, October 25 through Wednesday, October 27, 2021

FACULTY LISTING AND DISCLOSURE INFORMATION

The American College of Gastroenterology (ACG) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. ACG, as an ACCME accredited provider, ensures balance, independence, objectivity, and scientific rigor in all of its directly and jointly provided education activities. All who are in a position to control the content of an education activity (including their spouse or partner) are required to disclose to ACG all relevant financial relationships in any amount occurring in the past 12 months with any commercial interest that may create a conflict of interest related to the subject matter of an education activity. Safeguards against commercial bias have been put in place by ACG. Anyone who refuses to disclose relevant financial relationships will be disqualified. ACG ensures any conflicts of interest are resolved before the educational activity occurs and discloses all relevant financial relationships to the learners prior to the beginning of an education activity.

ACG staff involved with this activity have nothing to disclose. Faculty have noted the following relationships related to their Annual Scientific Meeting presentations.

ANNUAL SCIENTIFIC MEETING - Oral Paper Author Disclosures

Monday, October 25 through Wednesday, October 27, 2021

ORAL PAPER AUTHOR DISCLOSURES

The American College of Gastroenterology (ACG) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. ACG, as an ACCME accredited provider, ensures balance, independence, objectivity, and scientific rigor in all of its directly and jointly provided education activities. All who are in a position to control the content of an education activity (including their spouse or partner) are required to disclose to ACG all relevant financial relationships in any amount occurring in the past 12 months with any commercial interest that may create a conflict of interest related to the subject matter of an education activity. Safeguards against commercial bias have been put in place by ACG. Anyone who refuses to disclose relevant financial relationships will be disqualified. ACG ensures any conflicts of interest are resolved before the educational activity occurs and discloses all relevant financial relationships to the learners prior to the beginning of an education activity.

ACG staff involved with this activity have nothing to disclose. Oral paper authors have noted the following relationships related to their Annual Scientific Meeting presentations.

1. Mean Adenomas Per Colonoscopy Is Inversely Associated With Post Colonoscopy Colorectal Cancers: Data From the New Hampshire Colonoscopy Registry Validating This Quality Measure

Joseph Anderson, MD1, William Hisey, MS2, Christina Robinson, MS3, Todd Mackenzie, PhD4, Lynn Butterly, MD2; 1White River Junction VA Medical Center, Hanover, NH; 2Dartmouth-Hitchcock Medical Center, Hanover, NH; 3Dartmouth-Hitchcock Medical Center, Lebanon, NH; 4Dartmouth College Geisel School of Medicine, Hanover, NH

PAPER/POSTER INDUSTRY INVOLVEMENT DISCLOSURES

The American College of Gastroenterology (ACG) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. ACG, as an ACCME accredited provider, ensures balance, independence, objectivity, and scientific rigor in all of its directly and jointly provided education activities. All who are in a position to control the content of an education activity (including their spouse or partner) are required to disclose to ACG all relevant financial relationships in any amount occurring in the past 12 months with any commercial interest that may create a conflict of interest related to the subject matter of an education activity. Safeguards against commercial bias have been put in place by ACG. Anyone who refuses to disclose relevant financial relationships will be disqualified. ACG ensures any conflicts of interest are resolved before the educational activity occurs and discloses all relevant financial relationships to the learners prior to the beginning of an education activity.

INFORMATION ON THE GENESIS OF STUDY CONCEPTS AND DESIGN: AUTHOR RESPONSIBILITY

The American College of Gastroenterology has supplemented the current conflict of interest disclosure with an additional series of questions completed by the authors of abstracts indicating whether they have been actively and personally involved in developing the study's concept and design and in collecting the data to assure that authors are not reporting data actually collected and developed by others, e.g., a pharmaceutical company or other commercial entity.

An abstract not referenced below indicates that the authors reported no industry involvement took place in any aspect or phase of the research.

The research in the following abstracts was reported to be industry-initiated:
