

In accordance with the AOA Standards of Accreditation, and ACCME Standards of Integrity and Independence, the ACA has collected disclosures from all individuals involved in the accredited content. ACOS requires instructors, planners, speakers, managers, and all other individuals who are in a position to control the content of this activity to disclose all financial relationships with ACCME-defined ineligible companies for the past 24-months. All financial relationships are thoroughly reviewed, vetted and mitigated according to ACOS policy. The existence or absence of financial relationships for everyone in a position to control content will be disclosed to participants prior to the start of each activity. Unless noted below, none of the instructors, planners, speakers, managers, or other individuals who are able to control the content of the ACA have any relevant relationships with ACCME ineligible companies.
