

FOUNDATION

125 South Wacker Drive, Suite 600, Chicago, Illinois 60606 800.338.3633 DiabetesEducator.org

Dear _____,

On behalf of the Association of Diabetes Care & Education Specialists Foundation, thank you for your recent donation of \$_____. Because administration fees are covered by the Association, 100% of your donation will go to research and innovation priorities that further the specialty and improve outcomes.

Our goal is to help ADCES members make a difference in the lives of people with diabetes, prediabetes and other cardiometabolic conditions. We accomplish this through:

- Grants supporting innovative outreach and DSMES services.
- An annual mentored fellowship in collaboration with the Certification Board for Diabetes Care and Education to foster leadership and new research in diabetes care.
- Scholarships to help members give back to their communities through opportunities like the annual conference.

Discover the latest opportunities and projects from the foundation at ADCES.org/about-us/ADCES-Foundation and follow us on Facebook, Twitter, LinkedIn, and Instagram.

Again, thank you for your generosity.

Sincerely,

Matthew Hornberger, MBA, CAE
Chief Executive Officer
Association of Diabetes Care and Education Specialists Foundation

Please note that, in accordance with tax regulations, any gifts made partly as a contribution and partly for specific goods and services you received have been so indicated above. The Internal Revenue Service has determined that the ADCES Foundation is a 501(c)3 organization, contributions to which, by corporations, foundations and individuals, are tax deductible to the extent allowed by law. The FEIN of the ADCES Foundation is 36-3488423. Please retain this letter in your records as a receipt of your contributions for tax deduction purposes.

This letter verifies that no goods or services were provided in return for this contribution.
