Total CE/CME offered to Houston attendees- up to 49.50 CE/CME*

Please review your profession's individual accreditation statement below for a breakdown of what is offered for your professional designation.

Target Audience

This continuing education activity should be of substantial interest to Nurses, Pharmacists, Registered Dietitians/Nutritionists, PAs, Nurse practitioners, MD/DOs, Health Education Specialists, and other health professionals who care for individuals with diabetes and other related conditions.

Delivery of Sessions

Live sessions will take place at the live event on their scheduled dates, check back on the conference website for their scheduled days and times. All On-Demand sessions will be available beginning Monday, August 21-November 6, 2023.

To obtain continuing education credit

Statements of credit and Certificates of Completion/Attendance are provided to registered attendees based upon completion of the online evaluation. The transcript that accompanies the provided certificate is the official record of all CE/CME credits earned at ADCES23.

Credit Claiming Deadlines

The Continuing Education Evaluation System is open Friday, August 4, 2023-December 18, 2023, for credit claiming. **Credits cannot be claimed after this date**

Notes for Pharmacists:

- Per NABP CPE Monitor and ACPE rules- ADCES must upload pharmacy-related continuing education information to CPE Monitor within 60 days of the event. Per ACPE rules, ADCES does not have access nor the ability to upload live credits requested after that timeframe.

- **Pharmacy learners must evaluate all sessions attended “live” by Monday September 18, 2023.**
- **Home Credits are offered for On-Demand identified sessions only.** Not all sessions have that option. **Home credit for On-Demand sessions can be claimed up until Monday, December 18, 2023.** Please review the online planner and claim credit accordingly per the stated deadlines

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the Association of Diabetes Care & Education Specialists is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive up to 49.50 Interprofessional Continuing Education (IPCE) credit for learning and change.

Registered Dietitians

Commission on Dietetic Registration (CDR): CDR Credentialed Practitioners can receive up to 49.50 Continuing Professional Education units (CPEUs) for completion of this activity. Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs

(One IPCE credit = One CPEU). If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU. Sphere and Competency selection is at the learner's discretion.

Registered Nurses

American Nurses Credentialing Center (ANCC): The Association of Diabetes Care & Education Specialists designates this activity for a maximum of 49.50 ANCC contact hours. This activity discusses 13.0 contact hours of pharmacotherapeutic content.

The Association of Diabetes Care & Education Specialists is approved by the California Board of Registered Nursing, Provider Number 10977, for up to 49.50 contact hours.

Nurse Practitioners

Per the American Academy of Nurse Practitioners Certification Board, nurse practitioners attending ADCES23 are eligible to claim contact hours from ANCC or CME from AAPA. Pharmacotherapeutic hours are listed under the ANCC accreditation statement above and on your continuing education statement of credit upon completion of your session evaluations.

PAs

The Association of Diabetes Care & Education Specialists authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This live and enduring activity is designated for up to 49.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Pharmacists

The Universal Activity Number for each session will be provided to learners on their transcript upon completion of an evaluation. ADCES23 has been approved for up to 49.50 contact hour(s).

This live conference provides up to 21.75 contact hours (2.175 CEUs) of continuing education credit.

On-Demand Sessions provides up to 27.75 contact hours (2.775 CEU's) of continuing education credit.

Total amount available to earn in combination of home and live contact hours is 49.50 contact hours (4.950 CEUs) of continuing education credit.

Notes for Pharmacists/Pharmacy Technicians:

- Per NABP CPE Monitor and ACPE rules- ADCES must upload pharmacy-related continuing education information to CPE Monitor within 60 days of the event. Per ACPE rules, ADCES does not have access nor the ability to upload live credits requested after that timeframe.
- **Pharmacy learners must evaluate all sessions attended “live” by Monday, September 18, 2023.**
- **Home Credits are offered for On-Demand-identified sessions only.** Not all sessions have that option. **Home credit for On-Demand sessions must be claimed by Monday, December 18, 2023.** Please review the online planner and claim credit accordingly per the stated deadlines.

Physicians

American Medical Association (AMA): The Association of Diabetes Care & Education Specialists designates this live and enduring activity for a maximum of 49.50 *AMA PRA Category 1 Credit(s)*TM.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Social Workers

As a Jointly Accredited Organization, the Association of Diabetes Care & Education Specialists is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit.

The Association of Diabetes Care & Education Specialists maintains responsibility for this course. Social workers completing this course receive up to 2.0 continuing education credits.

Per ASWB's Approved Continuing Education Program (ACE), sessions that are less than 60 minutes each are not eligible for ACE credit. The 2.0 continuing education credits listed reflects the 60-minute and sessions available at ADCES23. Additional credit may be earned by participating in a pre-conference course offered on Thursday, August 3, 2023. Separate registration is required for pre-conference courses. See the registration page for details.

MCHES and CHES Credentialed Attendees

Application for CHES® (entry/level) / MCHES® (advanced level) Category I continuing education contact hours (CECH) has been made to the National Commission for Health Education Credentialing, Inc. (NCHEC)."

Board Certified-Advanced Diabetes Management (BC-ADM)

ADCES is the administering body for the Advanced Diabetes Management credentials. Continuing education programs offered by ADCES can be used toward fulfilling BC-ADM certification and recertification requirements.

Certified Diabetes Care and Education Specialists

To satisfy the requirements for renewal of certification for the Certification Board for Diabetes Care and Education (CBDCE), continuing education activities must be diabetes related and approved by a provider on the CBDCE list of approved providers (www.ncbde.org). CBDCE does not approve continuing education. The Association of Diabetes Care & Education Specialists (ADCES) is on the CBDCE list of approved providers.

Other Health Care Professionals

It is the responsibility of each participant to determine if the program meets the criteria for re-licensure or recertification for their discipline.

***The credit listed above may be subject to change.**

**** Additional CE for viewing On-Demand sessions varies and will depend on sessions attended live in Houston and sessions that are recorded and available On-Demand. Not all in-person sessions will be available On-Demand.**
