

CONVENTION CHAT LOUNGES

Person-to-person knowledge transfer between attendees outside of the scheduled sessions is one of the best benefits of attending conferences. We didn't want to lose that magic on a virtual platform. **CONVENTION CHAT LOUNGES** are a way for you to virtually share knowledge and exchange ideas with other attendees. There are nine Chat Lounges available:

- *Chat Central – for all attendees*
- *C-Suite – for C-level attendees*
- *COVID/Infection Prevention – clinically focused discussions*
- *Quality Awards – for Quality Award recipients and those interested in the program*
- *Assisted Living/NCAL – for the Assisted Living providers*
- *Independent Owners (IO) – for the IO providers*
- *Not-for-Profit – for the Not-for Profit providers*
- *ID/DD - for the ID/DD providers*
- *Remembrance – a place to remember those lost to the pandemic*

The Chat Lounges are open during platform hours (8:00 AM – 5:00 PM ET). All attendees are invited to initiate chat topics. During **Get Together Thursdays**, AHCA/NCAL Staff will be hosting **Chat Takeovers**. These takeovers are brief (15-minute) chats focused on topics important to all providers. We invite you to chat with us!

Schedule (as of September 24; topics may be changed or deleted without notice)
