

DELIVERING SOLUTIONS 23 AHCA/NCAL CONVENTION & EXPO

October 1 – October 4, 2023

23CE00076

TARGET AUDIENCE

This accredited continuing education activity is designed for Directors of Nursing (DONs), nurses, administrators, rehab therapists and other health care professionals involved in the management and delivery of care within nursing facilities (i.e., sub-acute/post-acute care, assisted living, and other long term care settings).

EDUCATIONAL OBJECTIVES

At the conclusion of this activity, the participants should be better able to:

- Discuss emerging trends and topics impacting the overall quality and value of your organization/facility and how to incorporate new quality improvement approaches within your system.
- Identify evidenced-based strategic solutions to improve practice, performance, and/or resident outcomes.
- Integrate operational strategies and resources to address the challenges related to reimbursement constraints and the healthcare workforce staffing crisis.

DISCLOSURE DECLARATION

As a jointly accredited provider, the University of Nebraska Medical Center (UNMC) ensures accuracy, balance, objectivity, independence, and scientific rigor in its educational activities and is committed to protecting learners from promotion, marketing, and commercial bias. Faculty (authors, presenters, speakers) are encouraged to provide a balanced view of therapeutic options by utilizing either generic names or other options available when utilizing trade names to ensure impartiality.

All faculty, planners, and others in a position to control continuing education content participating in a UNMC accredited activity are required to disclose all financial relationships with ineligible companies. As defined by the Standards for Integrity and Independence in Accredited Continuing Education, ineligible companies are organizations whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The accredited provider is responsible for mitigating relevant financial relationships in accredited continuing education. Disclosure of these commitments and/or relationships is included in these activity materials so that participants may formulate their own judgments in interpreting its content and evaluating its recommendations.

This activity may include presentations in which faculty may discuss off-label and/or investigational use of pharmaceuticals or instruments not yet FDA-approved. Participants should note that the use of products outside currently FDA-approved labeling should be considered experimental and are advised to consult current prescribing information for FDA-approved indications.

All materials are included with the permission of the faculty. The opinions expressed are those of the faculty and are not to be construed as those of UNMC.
