

How to Log into Your AOPA Member Hub and Purchase Leadership Conference Sponsorship Opportunities

1. All payments & purchases start with logging into your AOPA Member Hub account. If you have not yet logged into our new member portal which was introduced last year, you can access your old account by clicking the forgot password link:

The screenshot shows the login interface for the American Orthotic & Prosthetic Association (AOPA) Member Hub. At the top is the AOPA logo. Below it, a section titled "Login to your account" contains a help icon (?), a prompt to "Enter your email and password below to login.", and two input fields for "Email" and "Password". There is a "Remember Me" checkbox and a green "Login" button. Below the login fields is a yellow "FORGOT YOUR PASSWORD?" button with a help icon (?), and a link that says "Click here to reset your password." At the bottom, there is a link "Don't have an account yet? Create an account." and a copyright notice: "© 2024 - The American Orthotic & Prosthetic Association".

2. Once you are logged into your account, you will land on the profile page. From here you can pay invoices, make sponsorship purchases, sign up for classes, and more! Select the Sponsorship Opportunities option on the left side to purchase Leadership Conference Sponsorships.

The screenshot displays the AOPA Hub user profile page for John Doe MSPO, CPO. The page features a sidebar on the left with navigation links: Home, My Profile, My Managed Organizations, Memberships, AOPAversity, Events, Online Store, Co-OP, AOPA CMS Data Portal, Donate To Capital Connection, Sponsorship Opportunities, and Quick Pay. The main content area shows the user's profile information, including a photo, name, and contact details. It also displays a list of managed organizations, a section for "Pay Open Balances" (showing no open balances), and a "Membership" section for the "PATIENT CARE FACILITY" with an expiration date of 12/31/2024. A "Pay" button is visible next to the membership information. At the bottom, there is a "Notes" section with a table for tracking notes.
