HOW WE WORK

WE OPERATE AS ONE TEAM

We value all team member contributions and welcome spirited debate. We believe anything is possible through hard work, collaboration, and a passion for innovation.

WE CELEBRATE OUR DIFFERENCES

We strive to create a safe, inclusive workplace that fosters an open-minded outlook. We welcome and encourage people from all backgrounds to work with us.

WE EXECUTE WITH PRECISION

We honor our commitments to our customers and deliver the highest quality products and materials to support their success.

WE LIFT UP OUR COMMUNITIES

We believe that everyone should have a roof over their heads, enough food to eat, and an opportunity to excel. We seek to address these essential needs in our communities.

WE CHAMPION WOLFSPEED

We believe in our company, our team, and our role in creating a sustainable future. We advocate for Wolfspeed, our products, and each other.

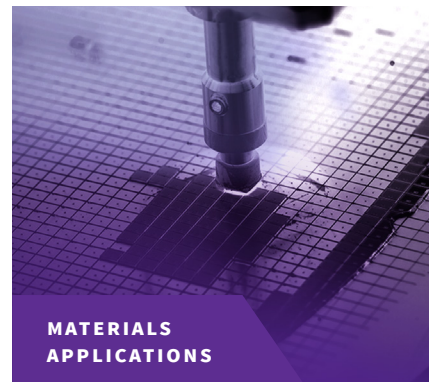

WE HELP OUR CUSTOMERS CHANGE THE WORLD

We take risks and challenge conventional thinking to develop better, more efficient, and cleaner technology for a world that depends on it.

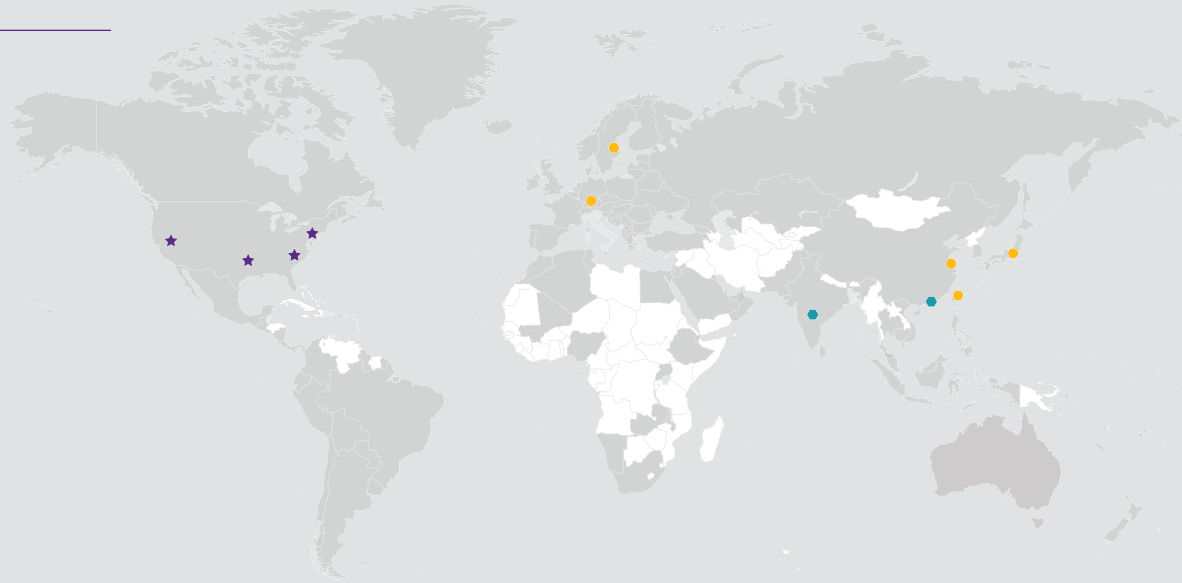

WHAT WE DO

WE HARNESS THE POWER OF SILICON CARBIDE TO CHANGE THE WORLD FOR THE BETTER.

With our evolution to Wolfspeed, we are leading the charge into the future of innovation and manufacturing. We have assembled the best semiconductor team in the industry—a team that is uniquely suited to lead an industry-transforming, once-in-a-generation technology shift. We are the only player in the industry with a fully commercialized, broad portfolio of the most field-tested Silicon Carbide and GaN-on-Silicon Carbide solutions on the market. While there is a great deal of complexity and intellectual property in our designs and solutions, what we enable our customers to do is simple—we make systems more efficient while reducing cost and increasing performance.
