EXPOSURE

Market your organization and raise exposure to the entire sickle cell community, including leading researchers, physicians, clinicians, and community supporters.

INSIGHT

Engage in meaningful discussions about the issues, trends, and innovations shaping the future of sickle cell research, education and treatments.

NETWORK

Enhance relationships, elevate your exposure to the sickle cell research community, and make new industry contacts. Network with individuals with the common goal of finding better treatment and ultimately, a cure for sickle cell disease.

LEAD GENERATION

Generate leads by connecting with the researchers, physicians, clinicians, and community supporters.

PRODUCT DEMONSTRATION

Give your potential clients hands-on access to your products and services.
