Conversation with the Authors

Many attendees have expressed that they enjoy the opportunity to converse with poster authors. However, we also recognize that your time is valuable and attending all the poster sessions can be burdensome to your schedule. Therefore, we are requesting that all presenters be available to present their poster(s) during the **SAWC Fall Poster Reception and Awards Ceremony, held on Saturday, October 16, 2022, from 4:00 PM – 5:00 PM**. You are, of course, more than welcome to be present at all poster sessions.

- Posters are typically displayed on a 4' high x 8' wide bulletin board. Posters should fit within those dimensions
- Push pins will be provided. If you need additional mounting supplies, especially with heavier posters (laminated, vinyl, or other heavier material), please bring them with you
- The distribution of product samples is prohibited
- Handouts and business cards may be distributed
- Audio-visual equipment will not be available for poster presentations
