

## CITY OF SAN ANTONIO FIRE DEPARTMENT

OFFICE OF THE FIRE CHIEF  
315 SOUTH SANTA ROSA, SUITE 2000  
SAN ANTONIO, TEXAS 78207  
210.207.8400

Greetings,

I want to personally invite you to our great city for Fire-Rescue International (FRI) August 24-26, 2022 at the Henry B. Gonzalez Convention Center.

We all face challenges managing our departments and serving our communities and these past few years have been no exception. There has never been a more essential time for the fire and EMS community to come together to find solutions to new problems. That is why the International Association of Fire Chiefs has been working hard to make on-site connections and educational opportunities happen at FRI 2022 in San Antonio.

What makes FRI unlike any other fire service conference is the quality and depth of the education, with nationally recognized presenters and a program designed by and for officers of all ranks. Sessions include fire service cancer prevention practices, behavioral health issues and solutions and overcoming organizational barriers to firefighter fitness programs. Everyone leaves FRI better equipped with fresh ideas, innovative solutions and new personal connections.

The FRI Exhibit Hall provides something for all ranks. I invite your firefighters and officers to come experience it and network with fire and EMS colleagues. From enhanced safety to increased efficiency—everything your department needs is in the FRI Exhibit Hall.

Whether it's your first time attending, or you participate every year, you are certain to leave with valuable information.

Visit the FRI website ([iafc.org/FRI](http://iafc.org/FRI)) for more information. I look forward to welcoming you to San Antonio!

Sincerely,

Fire Chief Charles N. Hood
