

**Subject:** REVIEW NEEDED - FRI 2023 Online Exhibitor Listing  
**Sent:** August 2, 2023

Hello Exhibitor,

In preparation for Fire-Rescue International (FRI) 2023 we have migrated the exhibitor listing data to the new online floorplan and mobile app. We have pulled over the company information including:

- Company Description
- Primary Contact
- Product Categories
- Website

With this migration, each exhibitor will now have a NEW online listing. The new [exhibitor listing](#) and [floorplan](#) pages will be updated on the website by the end of the week.
