Take advantage of this unique opportunity! Attendees look forward to learning how your products and services can help them perform their jobs more effectively and economically, and ultimately improve patient safety.

For more information, please contact ISPE at +1 301 718 6500 or mel@pharmacoepi.org.

This conference brings together leaders representing industry, service providers, government/regulatory agencies, academia, consultants, and students from many countries dedicated to advancing the health of the public.

In addition to providing funding to make the meeting possible, your contribution will help provide scholarships for students and trainees in pharmacoepidemiology - the next generation of pharmacoepidemiologists - to attend this event, which is an important part of their growth and development as professionals.
