Safe System
Vehicle Technologies/Automated Driving

Submit a Video *(mp3, avi, mov, mpg, mp4, m4a format)*

New TSS Applicants:

Your video should discuss in 60 to 90 seconds:

- Describe how your passion for traffic injury prevention drives your research endeavors.
- Describe the career benefits you hope to get from attending Lifesavers Conference.
- How will you apply what you learned at Lifesavers in your future endeavors?

In your video you may provide a general overview of your studies, but do not describe your research or share statistics. Don't describe what the Lifesavers Conference is about.

The file may be in any of the following formats: mp3, avi, mov, mpg, mp4, m4a.

Maximum file size is 100 MB.

Any video submission that does not comply with these parameters will not be considered.

Former TSS applicants:

Your video should discuss in 60 to 90 seconds, your answers to the following questions:

- While attending Lifesavers previously as a TSS, describe the steps you took during the conference to obtain research, internship, or job opportunities.
- How did you apply what you learned from your TSS experience in your research and career development?
- Describe how your TSS experience and your skillset make you an ideal candidate to mentor Scholars and lead a TSS cohort.

In your video you may provide a general overview of your studies, but do not describe your research or share statistics. Don't describe what the Lifesavers Conference is about.

The file may be in any of the following formats: mp3, avi, mov, mpg, mp4, m4a.

Maximum file size is 100 MB.

Any video submission that does not comply with these parameters will not be considered.

Upload a Letter of Recommendation from your Academic Advisor (.pdf or .doc format)
