

# Creating an account (profile)

**Login or Sign up (below)**  
Please type in your password

To use the advanced features like schedule builder and network messaging, you must create FREE account and login. (See sign up button below.)

Once you have registered for LifeSavers23, your account will be set to PREMIUM for access to presentation handouts.

**Tips and Tricks for creating a profile:**

- Square photos import best. Crop your photo before you upload it.
- Be sure to choose **ribbons** that identify the tracks in which you're most interested. The user database can be filtered by **RIBBON**. Once on the users page, simply click a ribbon and see everyone who has tagged themselves for that track.

Clicking Login will bring up the login /sign up screen

Enter your email and password if returning

Or use Sign Up to create a new account

## Your Privacy Options

Share your profile with attendees and exhibitors? \*

By sharing your contact information, your profile will appear on the attendee list under your name. You will only be able to contact other attendees if you are opted-in as well. Exhibitors will also have access to your profile if you interact with them by viewing their profile.

☐ Yes

Share your information with companies you interact with? \*

I would like to share my information with exhibitors and sponsors for interest through this website.

☐ Yes

Share your favorites with other attendees? \*

By sharing your favorites, other attendees can see which schedule tracks you have selected to your schedule.

☐ Yes

Please select the ribbons that you would like other attendees to see when they look at your account profile. All users can be filtered by ribbon. Be sure to tag yourself with the tracks you're interested in so others can find you!

## FOODIE

## BOOKWORM

## PROFILE TIPS:

- You must allow sharing to be found in the attendee list. Only those who opt in can be messaged.
- Use a recent photo so people can recognize you. Square photo import best, so crop your photo before you upload it.
- Identify yourself with **RIBBONS**, both professional and fun. The user database can be filtered by **RIBBON**. Once on the attendees' page, simply click a **RIBBON** to see everyone who tagged themselves with it. Use this filter to find colleagues and make new connections.
