Using the NANN Annual Conference App

Make the Most of Your Conference Experience!*

Notetaking & Bookmarking
Annotate directly on audio synced slides and bookmark specific slides to view at a later time.

Personal Summary
Notes and bookmarked slides can be viewed, exported as PDFs, or printed at any time.

Create & Share Schedules
Attendees can schedule sessions and personal items, then sync with their own calendars!

Social Features
Attendees can view and communicate with other app users, speakers, and exhibitors.

1. Download the NANN Annual Conference app

Scan this QR Code or search for "**NANN Annual Conferences**" in the Apple App Store or Google Play Store.

INSTALL and OPEN the app then "SEARCH" for "**NANN 2021**"

CLICK to launch and proceed to the login page.

2. Login to the NANN 2021 event app

The app is restricted to registered attendees only. To start using the event app, select **"Login"** and proceed to the next screen.

The next page will allow you to log in using your NANN credentials. Once you enter your User Name and Password, you will be logged into the app.

3. View the schedule and take notes

Find the session you want by clicking the Day 1, Day 2 or Day 3 tiles for the daily schedules. Find a session and click on the star to turn it yellow and add it automatically to your personalized schedule of favorites. Use the note-taking mode to type your notes during a session.

Miss being with your colleagues? Use the Camera feature at the top of the app to take a photo to share within the Activity Feed. Find the message button to send messages to each other - all within the app!
