How to Play

Important: You will need two devices to play—a desktop browser and a mobile device (phone or tablet):

1. From your mobile device, download the Eventscribe Live app from the [App-Store for iOS](#) or [Google Play for Android](#).
2. From your desktop browser, visit booths in the Virtual Exhibit Hall to find QR codes beginning August 11 at 11 a.m.—ending August 12 at 3:30 p.m.
3. Hold your phone or tablet to the desktop browser to scan the QR code.
4. When the scan registers, a question will pop up on your mobile device. Answer the question correctly to earn points and climb the leaderboard.

Hint: Got the wrong answer? Re-scan the code for another chance to earn points.
