OTA MEMBER FIRESIDE (Limited to OTA Members)

OCTOBER 12, 2022, 5:00 - 8:00 PM
TAMPA, FLORIDA

OVERVIEW

Seasoned OTA members are encouraged to join a distinguished panel of OTA Past Presidents for the inaugural Senior Surgeon Leadership Forum, an evening of fellowship and engaging panel discussions. Faculty will begin with lively case discussions that illuminate the benefits of decades of experience then move to a series of interactive sessions touching on self-care, burnout management and avoidance, as well as transitions from one's trauma surgeon role to other leadership posts.

Participants will hear from faculty who have assumed key spots within the broader house of orthopaedics. The course will conclude with a roundtable discussion, our longest tenured past presidents will be asked their recollections of the early days of the OTA and the trajectory they established.

TARGET AUDIENCE

Limited to OTA Members 15+ years in practice.

AGENDA

- 5:00 - 5:10 PM Introductions, Drinks and Hors d'oeuvres
- 5:10 - 6:00 PM Case Discussion – How I've Benefited from Decades of Experience
- 6:00 - 6:25 PM Self-care and Burnout – What I know Now and What I May have Done Differently
- 6:25 - 6:50 PM Transitions from Primary Trauma Surgeon to other Leadership Roles
- 6:50 - 7:05 PM Break, Networking, Drinks and Hors d'oeuvres
- 7:05 - 7:30 PM Trauma Surgeon Leaders within the Broader House of Orthopaedics

The Orthopaedic Trauma Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Orthopaedic Trauma Association designates this live activity for a maximum of **2.75 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LEARNING OBJECTIVES

After attending the 2022 OTA Member Fireside, participants will be able to:

- ✓ Understand case management principles that have developed over time or withstood the test of time
- ✓ Appreciate a variety of methods and pathways to manage or avoid trauma career burnout
- ✓ Explore avenues for career transitions to other leadership roles within and beyond musculoskeletal traumatology
- ✓ Gain insight into the forces that established the OTA still influence the organization's goals.

Welcome to the OTA Discussion Forum

a private community where OTA members can collaborate on individual cases, build consensus, improve and advance medical skills and knowledge, educate colleagues, train new practitioners, receive or offer career mentorship, and discover new medical data and technologies.
