

Annual International Meeting

December 15-18, 2022 | Miami, Florida

On behalf of the Society and the members of the Program Committee, we would like to welcome you to the 18th Annual International Meeting of the Pediatric Cardiac Intensive Care Society in Miami Beach, Florida!

We've designed an exciting multidisciplinary program that focuses on clinical and research innovations within the field of pediatric cardiac critical care featuring highlighted themes to be presented by our esteemed, invited faculty.

Plenary Sessions

- Centers of Excellence, Regionalization, and Transparency
- The Experienced Bedside Nurse: Rescuing an Endangered Species
- Innovation, Translation and Collaboration: Recent Advances and Scientific Work from PCICS
