2021 APRIL 9-11 SBI ACR BREAST IMAGING SYMPOSIUM Virtual Conference

CME-CE-SAM

Physicians earn up to 18.75 CME and 8 SAM
Technologists earn up to 18.75 CE

Learning Objectives

1. Summarize the current scientific debate and variations in recommendation for breast cancer screening with mammography.
2. Define the role of risk assessment and tailored screening paradigms to improve breast cancer screening outcomes.
3. Describe newer modalities for breast imaging, including supplements to mammography, with a focus on accuracy of interpretation, along with discussing most up-to-date concepts regarding breast density assessment.
4. Recognize different practice patterns, metrics, and challenges pertaining to varying breast imaging practices across the country.
5. Explain how other practices organize and administer breast imaging practices at the local level, while contributing to establishing overall practice guidelines at the national level that meet local needs.
6. Identify barriers in access for breast imaging care to develop strategies for improved service lines.

Accreditation Information

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American College of Radiology and The Society of Breast Imaging. The American College of Radiology is accredited by the ACCME to provide continuing medical education for physicians.

Physician Credit Designation

The American College of Radiology designates this live activity for a maximum of 18.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologist Accreditation Statement

The American College of Radiology (ACR) is approved by the American Registry of Radiologic Technologists (ARRT) as a Recognized Continuing Education Evaluation Mechanism (RCEEM) to sponsor and/or review Continuing Education programs for Radiologic Technologists and Radiation Therapists.

Technologist Credit Designation

The American College of Radiology designates this educational activity as meeting the criteria for up to 18.75 Category A Credit hours of the ARRT.

2021 APRIL 9-11 SBI ACR BREAST IMAGING SYMPOSIUM Virtual Conference

Instructions to Receive Credit – Physician

In order to successfully complete the activity, participants must attend the live virtual meeting, complete an activity evaluation and claim credit commensurate with their participation in the activity. CME and SAM credit claiming will be done entirely online within the conference platform. Attendees will select the CME/SAM/CE/COP tile on the main meeting page and complete the evaluations to claim credit. Certificates can be downloaded and printed. Credit must be claimed within 30 days of the meeting dates, no later than Tuesday, May 11, 2021.

Instructions to Receive Credit - Radiologic Technologists and Radiation Therapists

In order to successfully complete the activity, participants must attend the live virtual meeting, complete an activity evaluation and claim credit commensurate with their participation in the activity. Radiologic Technologists and Radiation Therapists must validate live attendance for the entire duration of a session; no partial credit will be given. In accordance with ARRT attendance requirements, SBI will provide live attendance validation for technologists. CE claiming will be done entirely online within the conference platform. Attendees will select the CME/SAM/CE/COP tile on the main meeting page and complete the evaluations to claim credit. Certificates can be downloaded and printed. Credit must be claimed within 30 days of the meeting dates, no later than Tuesday, May 11, 2021.

SAM Sessions

The Self-Assessment Module (SAM) activities for the general sessions will be completed online on your own time. The SAM quizzes are available in the CME/SAM/CE/COP tile on the main meeting page. You must complete the SAM quiz activity in order to receive SAM credit. Credit must be claimed within 30 days of the meeting dates, no later than Tuesday, May 11, 2021.

SAM Statement

Qualified on April 1, 2021, this activity meets the American Board of Radiology's criteria for self-assessment (SAM) activity and is designated for up to 8 SAM credits toward the ABR Maintenance of Certification program.

For information about the accreditation of this program, please contact SBI at info@sbi-online.org.

Disclosure of Conflicts of Interest

The ACR Disclosure Policy: In compliance with ACCME requirements and guidelines, the ACR has developed a policy for disclosure and review of potential conflicts of interest, and a method for resolution if a conflict does exist. The ACR maintains a tradition of scientific integrity and objectivity in its educational activities. In order to preserve these values and ensure its educational activities are independent and free of commercial bias, all individuals, including planners, presenters, moderators and evaluators, participating in an ACR educational activity, or an activity jointly provided by the ACR must disclose all relevant financial relationships with any commercial interest.
