Learner Notification

Society of Breast Imaging

2024 SBI Breast Imaging Symposium

April 11-14, 2024

Montreal, Canada

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society of Breast Imaging . Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

ACCME Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 24.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Radiologic Technologists

ASRT Credit Designation Statement

Approved by the ASRT for Category A continuing education credit. Maximum of 24.00 hours.

Objectives - After Attending This Program You Should Be Able To

1. To understand how to optimize multimodality breast cancer screening and diagnosis in order to best serve diverse patient populations.
2. To learn the most appropriate screening and diagnostic exams to perform based on a woman's personal history and family history of breast cancer.
3. To familiarize oneself with the how artificial intelligence applications may be utilized in a breast imaging practice to optimize patient experience and care delivery.

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

Learner Notification

Society of Breast Imaging
Pre-Course: Practical Tips for Breast MRI, a Case-Based Review
April 10, 2024
Montreal, Canada

Acknowledgement of Financial Commercial Support
No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support
No in-kind commercial support was received for this educational activity.

Satisfactory Completion
Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Society of Breast Imaging . Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Physicians
ACCME Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Radiologic Technologists
ASRT Credit Designation Statement

Approved by the ASRT for Category A continuing education credit. Maximum of 8.00 hours.

Objectives - After Attending This Program You Should Be Able To
1. To optimize breast MR imaging sequences as well as the approach to interpretation to minimize the number of false-positive and false-negative findings.
2. To understand the management of biopsy outcomes after a breast MRI biopsy, including the management of high risk lesions and minimize the delay in diagnosis of breast cancer.
3. To review how to incorporate breast MRI into the clinical workflow to minimize the need for redundant and low value breast imaging examinations and best serve a diverse group of patients

How to Claim Credit

CREDIT CLAIMING INSTRUCTIONS

Click on the **Claim Credit** tile on the website or mobile app.

Under "**TASKS**," Please click the "**Choose Credit Type**" task to get started.

Category 1 and Category A claimers are required to complete the Overall Course Evaluation and Session Evaluations to claim CE. Certificates will be available to download, email, and print after you submit your evaluations.

International or non-CME claiming attendees have the option to obtain a Certificate of Participation after completing the Choose Credit Type task and Overall Course Evaluation.

You may select only one credit type: Category 1, Category A, or CoP. Per SBI's accrediting CE provider, all credit claiming must be completed 90 days post-meeting. The deadline to claim credit is Monday, July 15. If you have any questions about credit claiming, please email **info@sbi-online.org**. After you have claimed credit, be sure to email or download your certificate to save it for your records!
