

SIR 2024 shipping for hands-on workshops

SIR provides complimentary use of a hands-on storage unit in support of companies participating in the hands-on workshop program. It is immediately adjacent to the hands-on workshop space in the Expo. Use of SIR's hands-on storage is **optional**.

If you wish to utilize SIR's storage, you may hand-carry items from your booth. Or you may ship directly to the storage. If shipping directly to SIR's storage, please attach copies of ONE OF THE TWO shipping labels below and those parcels will be delivered to this storage unit (instead of, for example, your company's booth). This label is in addition to your labels affixed for the shipping company (UPS, FedEx, DHL, etc.).
