Electronic Poster Presentation Submission Instructions

Electronic Posters

All posters should be converted into a PDF file and submitted via the task list in Cadmium. You should have received an email with login information previously; if you do not have your login information please contact us [here](#).

Format

You must save the completed presentation as a file in PDF format.

- In PowerPoint this is done via the “Save As” menu
- In Keynote it is under the “Export” Menu
- In Word this is under “Save As”

We recommend your poster is in landscape orientation.

Your file can only contain **1** page.

How to Submit Your Poster

1. Using the link, password and access key that was emailed to you, enter your information on the site.

Welcome to the Poster Portal

You will be using this portal to upload your poster presentation and update your contact information for the virtual conference. Please login below and follow instructions to upload your poster.
