Scientific Sessions

Presented by the Society for Vascular Medicine

September 18-21, 2025

Loews Philadelphia Hotel
Philadelphia, Pennsylvania

Loews Philadelphia Hotel • **September 18-21, 2025** • Philadelphia, Pennsylvania

Invitation

Dear Industry Colleagues,

On behalf of the Board of Trustees, it is my pleasure to invite your support and participation in the Vascular Scientific Sessions, presented by the Society for Vascular Medicine. This meeting will take place September 18-21, 2025 at the Loews Philadelphia Hotel. Technical exhibits, sponsored workshops, satellite symposia and educational grants are a vital part of our conference's success. Our 300+ expected attendees look forward to connecting with you and learning more about your products and research.

The Vascular Scientific Sessions are extremely well attended by SVM members who are nationally renowned as key opinion leaders in vascular disease. In addition, the meeting is always very well represented by trainees and early career professionals, making it an ideal setting for networking and new connections.

Each content block will have a mix of diagnostics (imaging), medical therapy, and interventional therapy, differentiating their places in the treatment paradigm.

By popular demand, we'll have the classic sessions such as:

- Year-in-Review
- Vascular Jeopardy
- Cases on the Rocks
- Speed Mentoring

Vascular Scientific Sessions 2024 content included: advances in lipid management; vascular ultrasound interpretation; an innovative workshop dedicated to "The Swollen Leg"; Point-of-Care Ultrasound (POCUS) breakout sessions. We plan to incorporate POCUS and a Venus Vascular Medicine workshop in 2025 resulting in personal interaction with attendees.

Thank you for your consideration of our request for participation. We look forward to receiving your commitment. If you have any questions, please contact Bethany Radke, bradke@veritasamc.com or 847-752-4264.

Kind Regards,

Bethany Radke
Account Manager, Industry Relations

Sponsorship

We are excited to start our 36th year with the same premier education, training, research, and networking you've come to expect. This year's meeting will take place on September 18-21, 2025.

ABOUT SVM

The Society for Vascular Medicine (SVM) is a professional organization, founded in 1989, to improve the integration of vascular biological advances into medical practice and to maintain the highest standards of clinical vascular medicine.

WHY SHOULD YOU SUPPORT THE 2025 SVM MEETING?

Gain valuable exposure to an audience of physicians, fellows-in-training, residents, students, advanced practice providers, nurses, sonographers/vascular technologists, technicians, and others who practice vascular medicine or have a special interest in vascular disease or research.

- Expand your market reach
- Grow brand awareness
- Network with leaders in vascular medicine
- Learn about your customers
- Connect with providers who utilize your products and services

WHOM WILL YOU REACH?

The SVM Annual Vascular Scientific Sessions include attendees from vascular medicine and many other specialties:

- Angiology
- Cardiology
(interventional and non-invasive)
- Endocrinology
- Hematology
- General Internal Medicine
- Interventional Radiology
- Pharmacology
- Phlebology
- Podiatry
- Vascular Surgery
- Wound Care
- Others with an interest in vascular medicine

HANDS-ON WORKSHOP CHOOSE ONE OF THE FOLLOWING:

\$15,000

Point-of-Care Ultrasound

Showcase your products and technology by participating in our hands-on point-of-care ultrasound course. Our highly popular POCUS session returns for its fourth consecutive year and is open to vendor participation. The workshop will include conversations and hands-on stations with demonstrations. Participants will rotate between stations operated by your company representative and a Society for Vascular Medicine content expert to offer the best hands-on expertise on the use of your equipment. Station topics may include cardiac/echo, carotid, venous for DVT and sclerotherapy, aorta/AAA screen, vascular access, and more.

Venous Vascular Medicine: Workshop on Comprehensive Venous Care

This workshop will support practitioners who want to incorporate a more comprehensive vein care in their practice, enhance the skill set required to treat structural venous disease.

Workshop highlights Include:

- Case-Based Lecture Discussions
- Recorded Case Review and Expert Panel Discussion
- Hands-On Device Experience
- Sclerotherapy Demonstration

COPPER CHOOSE ONE OF THE FOLLOWING:

\$10,000

ROOM KEY | \$10,000

The Custom Key Card allows you to make an impression as soon as SVM attendees check into the hotel and throughout the meeting. Production is not included and artwork must be approved by the SVM Management. Please contact bradke@veritasamc.com for approvals.

CHARGING STATION | \$10,000

Become the official sponsor of the SVM charging station. Provide attendees with a power boost for their devices during the conference.

Copper Level Includes:

- 8x10 exhibit booth with 3 conference badges
- Recognition as a Copper Level Sponsor in pre-meeting promotional emails and social media blasts
- Recognition as our official Copper Sponsor in pre-meeting SVM newsletter
- Verbal recognition as our official Copper Sponsor during the Welcome Address
- Company name and logo exposure between sessions
- Recognition in the "Blue Pages" of SVM's official journal, *Vascular Medicine*
- Company landing page on meeting app
- Company logo featured on Fun Run T-Shirt

Sponsorship

TABLE TOP EXHIBIT

\$5,000

Connect with meeting attendees in person with an 8x10 exhibit space on-site at the annual meeting.

Table Top Exhibit Level Includes:

- 8x10 exhibit booth with 2 conference badges
- Recognition as an Exhibit Sponsor in pre-meeting promotional emails and social media blasts
- Recognition as an Exhibit Sponsor in pre-meeting SVM newsletter
- Verbal recognition as an Exhibit Sponsor during the Welcome Address
- Company logos, descriptions and links on sponsor landing page
- Attendee listing sent post-meeting (opt-in attendees only)
- Company landing page on meeting app

Educational Grants

Educational Grants in support of our CME program are also appreciated. Please submit a request to the SVM industry relations team by contacting bradke@veritasamc.com.

BELOW ARE SOME OF THE HIGHLIGHTS OF OUR EXCITING AGENDA

YEAR IN REVIEW

This recurring fan favorite highlights the most impactful research in basic and translational science, anticoagulant and antiplatelet therapy, non-atherosclerotic arterial disease, peripheral artery disease and intervention, venous thrombosis and intervention and lymphatic disease.

VASCULAR JEOPARDY

Year after year, Vascular Jeopardy is the most popular session at the annual meeting. Don't miss out as thought leaders from vascular medicine compete to see who will be crowned champion in a highly entertaining environment.

CASES ON THE ROCKS

This well-attended, expert-moderated, interactive event allows presenters from around the globe the opportunity to present their most interesting vascular cases to a panel of vascular experts and the audience in a very relaxed environment!

POSTER SESSION

A general poster exhibit will be complemented by a moderated session this year, with special oral presentations within the poster exhibit hall. Research abstracts and case report abstracts will also be integrated into the sessions throughout the conference. In past years these events have drawn the majority of conference attendees to learn and interact. Presentations will showcase developments in research, innovation and clinical excellence within the field of vascular medicine.

YOUNG INVESTIGATOR AWARD (YIA) COMPETITION

The top submitted basic, translational and clinical research abstracts are presented by young investigators from around the world and judged by a panel of vascular experts.
