EDUCATION

Medical School, City, State: dates attended

GPA, USMLE Scores

Undergraduate College, City, State: dates attended

Major and minor, GPA

HONORS & AWARDS (CAN INCLUDE GRANTS IF APPLIES HERE)

Vascular Annual Meeting (VAM) 2023 Travel Scholarship

EMPLOYMENT

Medical Assistant

NYC Pediatrics

Jan. 2020 – May 2023

New York, NY

Teacher's Assistant and Math and Science Tutor

Undergraduate College

Jan. 2019 – Jan. 2022

New York, NY

LEADERSHIP & MENTORSHIP

- Society for Vascular Surgery Resident and Student Outreach Committee • 2024
- Vascular and Endovascular Surgery Interest Group, President, Medical School Name • 2023-2024
- Anatomy Teaching Program, Medical School Name • 2023 – 2024

PROFESSIONAL MEMBERSHIP

- Society for Vascular Surgery (since 2023)
- American Venous Forum (since 2023)

RESEARCH PROJECTS

“Minimally Invasive Surgical Approaches in Chronic Venous Insufficiency: A Cost-Benefit Analysis”

PI: Dr. Jones, MD

2023 – Present

Medical School Name, Division of Vascular Surgery

“Outcomes of Endovascular vs. Open Surgical Repair in Iliac Artery Aneurysms”

PI: Dr. Wilson, MD

2023 – Present

Medical School Name, Division of Vascular Surgery

“Exploring the Potential of Stem Cell Therapy for Critical Limb Ischemia: Current Challenges and Future Directions”

PI: Dr. Davis, MD

2023 – Present

Medical School Name, Division of Vascular Surgery

PEER REVIEWED PUBLICATIONS (USUALLY IN PUBMED)

1. **Smith WY**, Fu Y, Johnson D, Williams ML, Brown P, Jones JD, Miller JK, Davis RT, Wilson JR. Vascular Surgery in the Elderly: Optimizing Treatment Plans for High-Risk Patients. *Journal of Vascular Surgery*. 2013 Jul 9;8(7):e68708.
2. **Smith WY**, Wilson RT, Johnson JR. Stem Cell Therapy for Critical Limb Ischemia: The Future of Revascularization? *Journal of Vascular Surgery*. 2014 Aug 15;69(1):76-84.
3. Taylor L, Moore D, **Smith WY**, Davis SQ, Sander JD, Peterson RT, Jones JR. Endovenous Laser Ablation for Chronic Venous Insufficiency: Long-Term Results and Patient Satisfaction. *Journal of Vascular Surgery*. 2012 Sep;40(16):8001-10.

OTHER PUBLICATIONS (BOOK CHAPTERS, ONLINE ARTICLES, ARTICLES FOR MEDIA...NOT PEER REVIEWED)

1. **Smith WY**, Davis J, Brown MK. Advances in endovascular techniques for the treatment of abdominal aortic aneurysms. *Advances in Endovascular Therapy*. The Virginia Vascular Society Newsletter. August 2024.
2. **Smith WY**, Hector CA. The impact of the RSOC on success in vascular surgery. *SVS News*. www.svsnews/whatever/that/websitelinkis

ABSTRACTS (CAN SEPERATE INTO PODIUM AND POSTER OR GROUP TOGETHER)

1. **Smith WY**, Jones PP, Colson BH, Perez JC, Roberts RJ, Wilson CIO. Risk Factors for Deep Vein Thrombosis After Vascular Surgery: A Predictive Model. *New England Society for Vascular Surgery*; 10/06/2023. Boston, MA, United States of America.
2. **Smith WY**, Dias O, Richards J, Smith D, Carry BH, Brown RJ, Davis E. Innovations in the Endovascular Treatment of Peripheral Artery Disease: A 10-Year Follow-Up. *Eastern Vascular Society Meeting*; 09/29/2022. Philadelphia, PA, United States of America.
3. Jones S, **Smith WY**, Wilson PP, Davis EM, Botta K, Carry U, Uchendu CIO, Zhao E. The Role of Artificial Intelligence in Predicting Vascular Surgical Outcomes. *36th Annual Vascular Fellows & Residents Abstract Competition*; 05/17/2024. New York, NY, United States of America.
4. Perry SL, Brewster TI, **Smith WY**, Homonoff JA, Maddock JS, Ricciardi BT, Ulani WC, Terry ML, Wilson RJ. Comparing Open Surgery Versus Endovenous Laser Treatment for Varicose Veins: A Multicenter Study. *Vascular Annual Meeting*; 06/16/2023. National Harbor, MD, United States of America.
