Lectures at PNDC 2023 can be reserved in advance for free. By reserving a lecture, you will be guaranteed entry for up to 15 minutes after the lecture's scheduled start time, at which point entry to the lecture will become first-come, first-served to all attendees. Please make your free lecture reservations through the registration system. Your reservation will be verified at the door to each lecture by scanning the QR code on your badge. Attendees can update reservations through the registration system or by visiting Attendee Help & Services.
